

FR SKATES SIZE CHARTS

EZX / AXS

To find your correct size, refer to your current shoe size.

The adjustable EZX and AXS skates are equipped on the toe area with extensible fabric, therefore, the liner will follow the growth of the foot until reaching the size limit.

CHECK FOR PROPER FIT

When trying on the skates the toes should lay flat. Toes can touch slightly the front of the skates, without pressure point.

FR SKATES

Models: EZX / AXS

Size EU	Size US	Size UK	Size MP
29 - 32	Y12 - Y14	Y11 - Y13.5	18 - 20.5
